**2011  
Cabernet Sauvignon**

McLaren Vale / Coonawarra

**WINEMAKERS NOTES**

This Cabernet Sauvignon has a wonderfully expressive varietal aroma while the blend of McLaren Vale and Coonawarra highlights the best aromas and flavours that Cabernet has to offer - peppermint, violets, chocolate, leather, black olive and menthol with oak influenced toasty vanilla. It is medium bodied with a generous mouth feel and a long finish.

*Ideal with roasted or grilled lamb*

**VINTAGE INFORMATION**

The 2011 vintage was one many would probably like to forget! During the crucial time for grape growing in McLaren Vale (January to March), we experienced double the average rainfall (55.5mm) with falls for the three months totalling 116.4mm. The lead up to the vintage was actually very good. Soaking rains in winter and into spring and mild temperatures in early summer meant a nice slow accumulation of flavours which we managed to capture in the fruit we took in. The fact is that most wineries released the 2011 vintage too young not allowing these more delicate wines to develop. This 2011 with 6years maturation is more elegant and European in style. A pleasant surprise which will further bottle age.
